Answer

MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE AND MINISTER OF STATE IN THE MINISTRY OF CONSUMER AFFAIRS, FOOD & PUBLIC DISTRIBUTION (DR. AKHILESH PRASAD SINGH)

(a) & (b): The allocation under TPDS is not demand based. This is made at uniform rate of 35 Kg per family per month each for Antyodaya Anna Yojana(AAY, Below Poverty Line(BPL) and Above Poverty Line(APL) families. The number of families for allocation is determined on the basis of 1993-94 poverty estimates of the Planning Commission as projected by Registrar General of India as on 1.3.2000 or the number of families identified and Ration Cards issued by each State/UT, whichever is less.

The supply of sugar has been restricted to only Below Poverty Line (BPL) families except to the North Eastern States, Hill States and Island Territories. The base for levy sugar distribution is the projected population as on 1.3.2000. Per capita per month allotment of levy sugar is 700 gms. Statement showing actual allocation of Rice made by the Government to States during last three years is enclosed as Annexure-I and of Sugar as Annexure-II.

(c): The allocation of Rice & Sugar under PDS is supplemental in nature and there is no plan to change the norms of allocation being made at present.
